NOTICE TO ALL OPERATORS

This is to inform all the operators that Tribhuvan University, Institute of Engineering is on plan to establish **AERO LAB** for conducting Aeronautical Engineering Elective Paper for students of Bachelor level of Mechanical Engineering and Aeronautical Engineering in near future. Therefore all the operators are kindly requested to contribute in establishing the **AERO LAB** in the reputed Institute by donating scrapped Gas Turbine Engines and Airframe to if they have any.

All the operators are encouraged to provide assistance for the noble cause as this will benefit the students to the utmost in the respective discipline. You are kindly requested to contact this office if you wish to offer assistance to this cause.

Thanking You,

Er. Samrat Pradhan
Sr. Officer
Airworthiness Inspection Division
Flight Safety Standards Department

CC:
Chief,
Flight Safety Standards Department

Dean,
Tribhuvan University, Institute of Engineering
