Date: 12th April, 2016

NOTICE TO ALL OPERATORS

All the operators are hereby informed to provide the current status of their Ground Power Unit (G.P.U) and aircraft battery cart to this office. You are required to mention the sector you operate and the serviceability status of G.P.U and aircraft battery cart positioned in those stations. Additionally, you are required to provide the detail status of how the G.P.U or aircraft battery cart is maintained to assure its serviceability.

Er. Bidhan Shrestha
Sr. Officer
Airworthiness Inspection Division
Flight Safety Standards Department
Civil Aviation Authority of Nepal
